# LOOK AROUND YOU

Thank you everyone who bought **Look Around You** quizzes. Over 300 were sold. We hope you enjoyed looking for the answers and were not too frustrated!

Apologies that the petrol pump at the Skello shop disappeared before the quiz return date, that the fuchsia growing behind Saverton hid a fence which gave a clue to the surroundings and that John Fordyce changed the

very first clue by having a porch put on! How quickly things change. Only two correct answers to number 13 in Quiz 2 were received. *Go and look!*

Prizes of some of the “different” wrapping paper from the Heritage Centre were given to Mary and Alex Costie, Jean Fergus, June Harcus, Elma Hewison, Lee Paterson, Quoybirse and Magnus Rendall. **Here are the answers:**

## FRIENDS OF KALISGARTH

On Sunday 6th September 2009 residents of Kalisgarth visited Brough where they were entertained to tea.. This was a very exciting outing to them, one to which they had been looking forward for some time. The house at Brough is well known to them as some had visited or had connections with the previous owner.

This was one of several outings which the residents have enjoyed this summer. On Saturday 29th August 2009 several members of the Orkney Songshare Project visited Kalisgarth. We were entertained to a variety of Orkney songs which were unknown to us – songs which told a story. The residents who attended thoroughly enjoyed the entertainment, as well as the informal chat afterwards over a cup of tea. It is good when the residents of Kalisgarth are included in community entertainment.

# What's On, Aff, Been, in Westray

ISSUE NO. 3, OCTOBER 2009

## BROUGH HOUSE OPEN DAY WAS A GREAT SUCCESS

On Sunday 6th September 2009 a very successful Open Day, organised by Westray Heritage Trust as a fund raising event, was held at Brough. We are indebted to Mark Fresson for the privilege of sharing his home and his future plans.

The house of Brough is a building of great interest to people in Westray and beyond, as was evident by the number of people who visited during that day – approximately 200.

A sum of £480 was raised for Westray Heritage Trust, after having given a donation of £120 to Westray Fire Brigade and paying expenses. We wish to thank everyone for their generosity.

Thanks go to all who helped before, during and after the event, in particular to Katie Costie

*Refreshments were served all day.*

*Plans for the completed house were displayed on the walls, as were old photographs of people at Brough. Pictured chatting are Jeemie Fergus and Douglas Leslie.*

and her catering team for the great food they produced. Thanks also to Catherine Stevenson for creating the period aprons which were greatly admired.

On the day pictures and information were displayed. Very interesting diagrams and maps which were provided by Mark have been donated to the Heritage Centre and will certainly enhance a future display.

During the winter we hope to gather more information so that eventually there will be a comprehensive record of life at Brough in the Archive Room at Westray Heritage Centre. We have already identified some people who we plan to visit, but anyone who wishes to help should contact Liz McVicar (677597) who is willing to write down information or scan pictures.

We hope to have a follow-up event next year.
